INTERMEDIATE PLAY EXPECTATIONS:

- Attend 2 x 90 minute team training sessions per week in-season
 - Punctuality is required!!
 - WWAFC training sessions are planned to be held between 5pm and 930pm next season depending on field space
 - Sessions take place on Monday/Wednesday or Tuesday/Thursday each week (i.e. dependent on coach availability)
 - We aim to schedule our younger players (U12 and below) during the earlier time slots - i.e. 5pm to 630pm

- Attend ALL 8 games!
 - Outside of extenuating circumstances, we need our full squads for ALL games
 - We will try to avoid scheduling games around holiday weekends and school breaks but our options are very limited by the FCSC scheduling
- Commit to our 'Warriors Way' code of conduct agreement regarding expectations for appropriate behaviors for ALL players and parents!!

REGISTRATION COST:

- U10-U18 = \$220/season (*\$120 of this is paid directly to the Town of Windsor Rec Department to cover their registration fee as ALL of our Intermediate programs are run through them).
- \$25 non-resident fee payable by any players residing outside of Windsor-Severance (*we are also required to pay this to the Town of Windsor)

UNIFORMS:

- Required Macron uniform for Intermediate players:
 - Home jersey (red)
 - 1 pair of black shorts
 - 1 pair of red socks
- Additional items (i.e. extra training shirt/socks/shorts) may be purchased at parent's discretion!
- Current uniform cost: Under \$40
- WWAFC does not currently 'mark-up' required uniforms so it is 'at cost'
- We will hold uniform fitting sessions at Scheels in Johnstown well in advance of the Fall/Spring seasons and parents are responsible for having their player attend one of these and then promptly purchasing all required kit from our MacronStore which is accessible via our website.

TOURNAMENTS:

- Participation is at coach and team discretion
- Goal is to attend one per session or two annually
- Spring is a very challenging season for tournaments due to lack of solid options, inclement weather and Memorial Day.
- WWAFC aims to host a Spring tournament in the near future!
- Late Summer/Fall provides better options
- Intermediate teams will only play at 'In-State local' tournaments
